Recruitment Resourcers

Manchester
£12- £14k Basic + Competitive Bonus Scheme

Fusion SRP the leading IT resource and IT projects business based in Manchester is looking to build on the foundations of its launch team with the further recruitment of successful **Recruitment Resourcers** into its **Permanent IT** recruitment team.

The growth plan is aggressive and we are looking to double our headcount every 6 months for the next 18, with consistent and profitable growth and expansion thereafter. It is going to be an exciting time with you fulfilling an important role in supporting our expanding customer list.

Based in our Manchester Head Office as part of our IT recruitment team we need you to help identify candidates primarily from database and internet sources as well as building client profiles in support of our targeted campaigns.

Ideally you will be a recent graduate who can demonstrate a strong work ethic, have a good telephone manner and are computer literate. You will have a client focused outlook and be keen to support our professional team of recruitment consultants with activity based targets. An appreciation of both technology and the IT Services industry would be an advantage.

You will be given a great opportunity to work within a professional, fast paced and exciting company with a combination of 'on the job' and more structured training supporting your personal growth and career aspirations.

Fusion SRP wants to continue to stand out from the norm by retaining the best people to support our clients, creating a positive work environment and by giving our teams the best opportunity of success.

Basic salaries start at £12,000 - £14,000 and will rise according to your individual performance.

To begin with let's see your CV and a letter telling us why you think you the skills to make a positive contribution at Fusion SRP.

Email: iwantafusionjob@fusionsrp.com or write to the address above.

Fusion is an equal opportunities employer that rewards on performance.
